Q: What aspects of DB Primary have you seen your pupils most engage with?

" Being able to access staff videos, email and learning tasks. "

L.R - Hill Park School

" Blog posts! My class have been so active on their blogs uploading daily activities. "

S.H - Bethersden Primary School

" Community pages and learning tasks have been popular, with teacher video blogs coming in a close second! They also love the reward stickers. "

P.P - Longfield Primary School

" Children have really enjoyed the forum, LIVE games and learning library activities. "

A.J - Alfred Sutton Primary Schools

" They enjoy emailing classmates and myself to maintain a sense of community even though we are unable to see one another. "

K.B - Beckers Green Primary School

" Online activities and sharing on the class communities. "

C.K - Catsfield CE Primary School

Q: Give an example of how you have used DB Primary in an intuitive way

" We have set up the home learning in our communities so that all previous learning is still available for families to go back and catch up if they have time out from working due to illness or any personal issues. "

C.C - Stanburn Primary School

" Our school podcast is now up on DB. We do virtual house competitions through DB, we share reading stories and share work that children have sent us. "

O.T - St James Primary School Elstead

" By creating a virtual school in a matter of days, and enabling just about all provision to be represented in some way shape or form. "

P.R - Mellis CE Primary School

" Publishing welfare contacts, reassuring children, maintaining contact with parents and publishing extra curricular weblinks. "

D.B - St George's New Town Junior School

" We made a home learning gallery from all the pictures we get sent of children learning so the children can see their friends. They can leave messages for each other on the contribution tool. "

M.M - Coteford infant school

" Using tasks to create fun competitions. "

J.R - Hambrough Primary

TECHNOLOGY

Q: Tell us one way DB Primary has helped keep you connected to your pupils

" Teachers have been uploading work to pages and including comment boxes for pupils to reply to. We have been monitoring usage and using this to help us to outreach to families to check that everyone is well and offer support with learning. "

A.D - St Johns C of E Stanmore

" We have put up weekly recorded videos with a weekly question and blogs about what we are doing. Pupils have commented and shared and it's been a lovely way to stay in touch. "

H.B - Goldstone Primary School

" A space for the children to upload their home learning, which helps keep them motivated and engaged in their learning. "

D.B - Belvedere Junior School

" We have class forums where students 'check-in' each morning, ask and answer questions and share their completed work. "

K.S - Thornhill Primary

" Children know that the learning environment is an easy way to connect with me and other children. The system is straight forward and they have soon learnt how to connect to each other. "

K.A - St George's Catholic Primary School

" I can email them all every day and I know that they have a secure way to reply. "

K.R - Tudor CE Primary School
